Welcoming young athletes of all skill levels! Whether you've played golf for years or just beginning, get your Summer started by making lifelong friendships while learning to play a lifelong sport.

Each session we will have a variety of stations to cover all aspects of the game for each participant to learn and enjoy golf. Regardless if you participate in one session or all six, they will learn and develop to hit the ball better, as well as an opportunity to take that knowledge and apply it on the course.
