

Cannon Golf Club Temporary Operations... Rules and Regulations... 2020

Once we have the opportunity to open the golf course, the following will take place until further notice. These temporary areas are to remain closed, no exceptions, until further notice. The putting green will remain open.

Golf Shop - The golf shop will be open/closed. The golf shop staff will be inside and can assist you with any merchandise you may need—we are fully stocked. We will put any purchases you have in a bag and set them outside the front door of the golf shop. We can take a credit card payment by phone. Your support of the golf shop is truly appreciated!

Golf Carts - Carts can be operated/used by single riders only. Immediate family living in the same household (i.e. husband/wife or parent/child) are the only exception that allows 2 people to share a golf cart (This is subject to an executive order). Carts will be cleaned and disinfected after each use.

Posting Scores – The computer in the golf shop has been removed and we are recommending to use the GHIN Mobile app.

Parking Lot Congregation – Do not congregate in the parking lot after your round. This will be the quickest way to have our golf course access rescinded by the state or local government. Social distancing requirements apply to the entire grounds of the club, including the parking lot. This goes for on or near the 18th (or 9th) green.

Golf Course Setup

Greens – Greens will be maintained as normal

Flagsticks – Flagsticks will be in with the cup turned upside down. Do not touch the flagstick! You will be able to get the ball out of the hole with your putter.

Touchpoints on the golf course – On course touch points that will be eliminated: rakes, ball washers, benches, scorecards, pencils, tees, community water coolers, towels and seed bottles.
